

To properly use the C3 ST Device:

- 1 Place hook on the middle of the handle of the lead shopping cart.
- 2 Place ratchet hook securely on the middle of the handle you use to push the line of carts.
- 3 Pull the rope through the ratchet with moderate force to create lift.
Do not over-tighten.

To remove the device:

- 4 Hold on to the C3 ST handle.
- 5 Lift up on the cart handle while pulling the release lever at the same time.

Easing tension on the ratchet release lever as illustrated will extend it's useful life!

Required PPE for your benefit and protection!
